- Providers shall provide proof of licensure, certification and/or accreditation if applicable.
- Providers shall agree to accept the reimbursement rates for CPT codes used by the CSS program.
- Providers shall agree to acceptance of payments as listed in the CSS fee schedule and subsequently seek outstanding payment(s) from CSS enrollee if the service(s) are not covered by CSS.

- Providers in the CSS provider network who provide service to CSS eligible participants may not submit to the family concurrent charges over and above the amount reimbursed by third party payers and/or the CSS program.
